Attorney Lev—in reviewing that document (attached above) pages 1-3 have been omitted. Can you please forward the entire document.

I am still awaiting a written response to the supplemental Interrogatories and Request for Production of Documents I sent back in February. Further, please advise to the timeline in receiving the remaining medical records and bills—they were requested in the first request for production of documents and they remain incomplete. While I appreciate the medicals you sent Friday, as you pointed out yourself, I am missing the bulk of Mr. Niles' treatment.
